

FOR GOOD

I've heard it said
That people come into our lives
For a reason
Bringing something we must learn
And we are led to those
Who help us most to grow if we let them
And we help them in return
Well, I don't know if I believe that's true
But I know I'm who I am today
Because I knew you

Like a comet pulled from orbit
As it passes the sun
Like a stream that meets a boulder
Halfway through the wood
Who can say if I've been changed for the better
But because I knew you
I have been changed for good

It well may be
That we will never meet again
In this lifetime
So, let me say before we part
So much of me
Is made of what I learned from you
You'll be with me
Like a handprint on my heart
And now whatever way our stories end
I know you have rewritten mine
By being my friend

Like a ship blown from its mooring
By a wind off the sea
Like a seed dropped by a sky bird
In a distant wood
Who can say if I've been changed for the better
But because I knew you

Because I knew you
I have been changed for good

And just to clear the air
I ask forgiveness
For the things I've done, you blame me for

But then I guess
We know there's blame to share

And none of it seems to matter anymore
Like a comet pulled from orbit (like a ship blown
from its mooring)
As it passes the sun (by a wind off the sea)
Like a stream that meets a boulder (like a seed
dropped by a bird)
Halfway through the wood (in the wood)
Who can say if I've been changed for the better
I do believe I have been changed for the better

And because I knew you

Because I knew you

Because I knew you
I have been changed
For good

HAPPINESS

Happiness is two kinds of ice cream.
Finding your skate key
Telling the time.

Happiness is learning to whistle.
Tying your shoe for the very first time.

Happiness is playing the drum in your own school band.
And happiness is walking hand in hand.

Happiness is five different crayons.
Knowing a secret.
Climbing a tree.

Happiness is loving our mother
Sharing a sandwich
Getting along.

Happiness is singing together when day is thru
And happiness is those who sing with you

Happiness is morning and evening
Day time and nighttime too.

For happiness is anyone and anything at all that's loved by you.
Happiness.

HOME

When I think of home
I think of a place where there's love overflowing
I wish I was home
I wish I was back there with the things I been knowing

Wind that makes the tall trees bend into leaning
Suddenly the snowflakes that fall have a meaning
Sprinklin' the scene, makes it all clean

Suddenly my world has changed it's face
But I still know where I'm going
I have had my mind spun around in space
And yet I've watched it growing

If you're list'ning God
Please don't make it hard to know
If we should believe in the things that we see
Tell us, should we run away
Should we try and stay
Or would it be better just to let things be?

Living here, in this brand new world
Might be a fantasy
But it taught me to love
So it's real, so real to me

And I've learned
That we must look inside our hearts
To find a world full of love
Like yours and mine

Like home...there's no place like home.
